

Rohan Das

I am a 2nd Year student pursuing my B. Tech degree in IT from The Institute of Engineering and Management, Kolkata. I have a great interest in technology and am passionate about coding. I also have a keen interest in Web Development and Android Development and wish to learn and gain experience in these fields. A finance enthusiast with a strong belief that finance is the backbone of every company.

ORGANIZATIONS

JCP Academy (01/2019 - Present)

I teach Mathematics and Physics to a few needy students of class 10 in the Liluah area in Howrah in West Bengal in India - a pro bono service. The aim is to strengthen their foundation in these two subjects so that they will benefit throughout their career. Additionally, I also teach elementary English to the students as most of them belong to schools where the medium of instruction is in Bengali.
